

## ANDREW LATHAM

*SENIOR SOLICITOR, CLINICAL LAW*  
CAPSTICKS SOLICITORS LLP

---

Andrew is an Associate in the Public Law team, having originally trained at Capsticks.

He now leads on much of the firm's information law work across litigation, advisory and transactional matters for healthcare, housing, emergency service, and regulatory clients.

Andrew is an expert on public law in the healthcare context, and in particular on the powers and duties of NHS bodies and ensuring lawful decision making. He also provides advice on a wide range of broader advisory and risk issues, including mental health and mental capacity law, drugs and pharmaceuticals, and complaints management. He regularly gives training for clients on the above issues.
